Gentlemen:

Reference is made to your letters of 6 May 1966 (239/PLI-82) and 27 May 1966 (269/PLI-82) concerning certain acceptance test plans for printer no. 1 being produced under the subject contract.

With reference to your 6 May 1966 letter, the Government's position regarding the final acceptance tests remains unchanged from that stated in the original contract (paragraph 4.3 of the purchase description) for the Contact Duplicating and Réseau Printer. As part of the final acceptance testing, Government personnel will test the printer employing test films not available to [Redacted]

The Revised Test Plan for the Contact Duplicating Printer No. 1, attached to your letter of 27 May 1966 is herewith approved.

Your cooperation in these matters is appreciated.

Very truly yours,
